

# 15<sup>th</sup> ANNUAL BC/MEND METAL LEACHING / ACID ROCK DRAINAGE WORKSHOP

## The Management of Tailings and Tailings Impoundments

December 3rd and 4th, 2008  
Simon Fraser University Harbour Centre  
Room 1900, 515 West Hastings Street  
Vancouver, BC

The theme this year is "The Management of Tailings and Tailings Impoundments". Topics will include: hydrogeology and geochemistry; tailings disposal; mitigation; closure plans; and post-closure performance. The emphasis will be on full-scale case studies, practical constraints and sustaining successful disposal strategies and remediation.

When the list of presenters is finalized, the agenda will be posted on the MEND web site at: [mend.nrcan.gc.ca](http://mend.nrcan.gc.ca).

The "early" registration fee is \$150.00, and includes the two day meeting, coffee breaks, and a copy of the workshop presentations on CD-ROM, which will be mailed to all registrants after the workshop.

For early registration, the attached form and payment must be received by November 26th. After that date, delegates will have to register at the workshop and pay the full fee of \$175.00. Requests for refunds or cancellations must be made, prior to November 28th. No refunds will be given for cancellation requests received after November 28<sup>th</sup>.

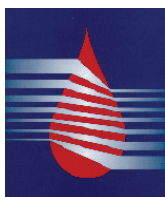

Please register in advance by mailing the registration form and a cheque in the amount of \$150.00 (Canadian) **payable to the "TRCR-ARD Workshop"** to:
