

CALL FOR PAPERS

43rd British Columbia Mine Reclamation Symposium

Kimberley, BC
September 21-24, 2020

The British Columbia Technical and Research Committee on Reclamation (TRCR) invites authors to submit written papers for oral presentation that address a wide range of reclamation practices including planning, implementation, effectiveness monitoring, regulation, and public/community engagement.

The TRCR encourages authors to submit their work on any relevant reclamation and closure topics, and is especially interested to receive paper proposals that highlight collaboration with Indigenous groups on mine reclamation and closure in the spirit of BC's recent commitment to implement the UN Declaration on the Rights of Indigenous Peoples.

Please **e-mail** abstracts (maximum 300 words) by **April 17th, 2020** to:

Lauchlan Fraser, Thompson Rivers University
E-mail: lfraser@tru.ca

Final papers are due by **June 26th, 2020**.

Final papers will be published and accessible post-conference on the University of British Columbia [cIRcle](#). Please visit to see past symposium Proceedings.

Please check the TRCR website for periodic updates to symposium information at:
