

CALL FOR PAPERS

46th British Columbia Mine Reclamation Symposium

Prince George, BC
Conference and Civic Centre
September 18th to 21st, 2023

The British Columbia Technical and Research Committee on Reclamation (TRCR) invites authors to submit written papers for oral presentation that address a wide range of reclamation practices including planning, implementation, effectiveness monitoring, regulation, and/or Indigenous leadership and partnerships in reclamation. In addition, a special session on “Mine Reclamation and Climate Change” is planned, and we welcome submissions for this session.

The TRCR is also requesting proposals to present a full or half-day Technical Workshop at the Symposium on September 18th. Please submit potential workshop concepts to Trina Hoffarth at thoffarth@coeur.com by **January 31st, 2023**.

This year, the TRCR will also be accepting submissions for community and/or Indigenous-led presentations. This category does not require a written paper.

Please **e-mail** paper abstracts, or submissions for community and/or indigenous presentations (maximum 300 words) by **March 17th, 2023** to:

Lauchlan Fraser, Thompson Rivers University
E-mail: lfraser@tru.ca

Final papers are due by **June 23rd, 2023**.

Papers will be published and accessible post-conference on the UBC [cIRcle](#), including those presented in 2022.

Please check the TRCR website for periodic updates to symposium information at:
www.trcr.bc.ca
