

CALL FOR PAPERS

36th British Columbia Mine Reclamation Symposium

Kamloops Convention Centre, B.C., September 17 – 20, 2012

The British Columbia Technical and Research Committee on Reclamation (TRCR) invites papers for oral presentation and posters that address a wide range of reclamation issues from planning to closure.

Please **e-mail** abstracts (approximately 300 words) by **April 16th, 2012** to:

Dirk van Zyl, University of British Columbia
e-mail: dvanzyl@mining.ubc.ca
Telephone (604) 827-3462 Fax (604) 822-5599

Final papers are due by **June 15th, 2012**.

Other conference activities will include field tours of the Samatosum Mine and Kamloops-area grasslands reclamation, as well as the annual BC Mine Reclamation Awards banquet.

Final papers will be published and accessible post-conference on the University of British Columbia library site - [cIRcle](#).

Please check the new TRCR website for periodic updates to symposium information at:

www.trcr.bc.ca
