

CALL FOR PAPERS

47th Annual British Columbia Mine Reclamation Symposium

Burnaby, BC
September 23 to 26th, 2004

The British Columbia Technical and Research Committee on Reclamation (TRCR) invites authors to submit written papers for oral presentation that address a wide range of reclamation practices including planning, implementation, effectiveness monitoring, regulation, and indigenous engagement.

In addition, field tours of reclamation in the Lower Mainland aggregate industry and a special session on “Mine Reclamation and Biodiversity” is planned, we welcome submissions for this session.

Please **e-mail** abstracts (maximum 300 words) by **March 29th, 2024**, to:

Lauchlan Fraser, Thompson Rivers University. E-mail: lfraser@tru.ca

and

Missy Preston, Aevias. E-mail: trcrsymposium@aevias.com

Final papers are due by **June 14th, 2024**.

Final papers will be published and accessible post-conference on The University of British Columbia [cIRcle](#). Please visit to see past symposium Proceedings.

Please check the TRCR website for periodic updates to symposium information at:
