Rosebush Land Improvement Project
-Gravel Extraction

R.E. Postill & Sons

Reclamation of gravel pit

R.E. Postill & Sons

Reclaimed farmland - Class 2 or Better
Agricultural Capability

Coal Mining Reclamation Award

Elk Valley Resources Ltd.

Line Creek Operations-
Geomorphic Design in Reclamation

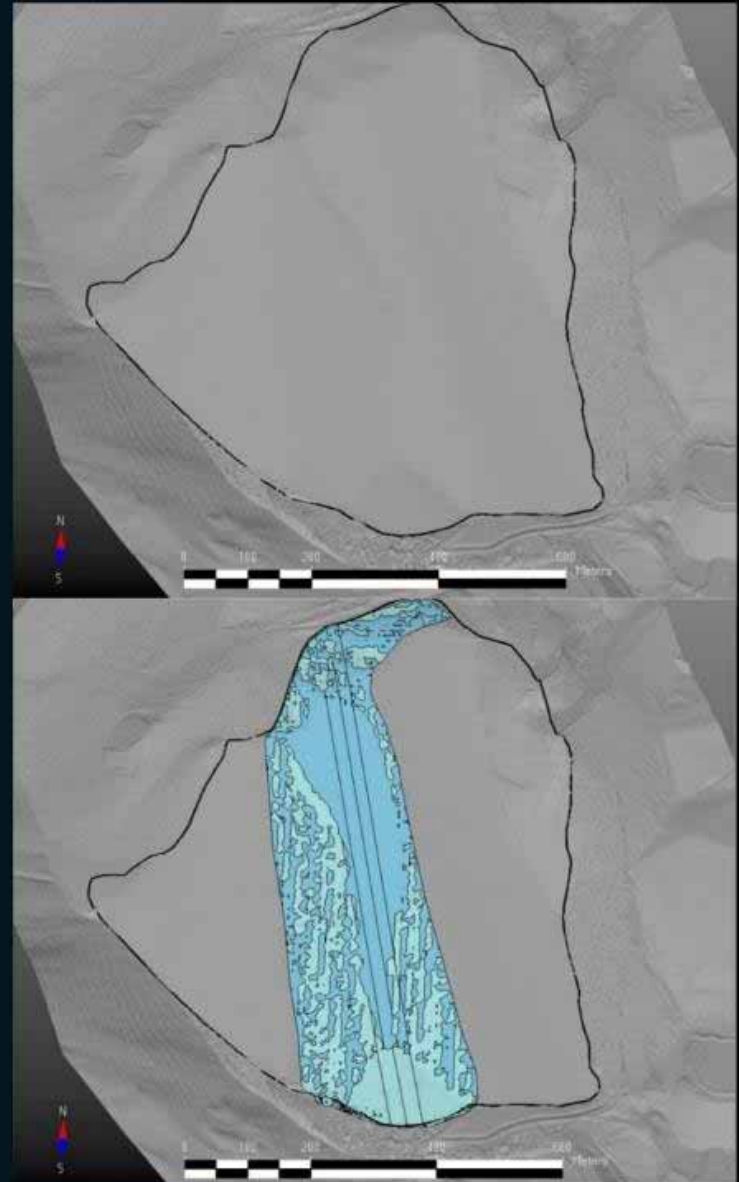

Estimated original ground

Gulley feature

Elk Valley Resources Ltd.

Line Creek Operations - Cut-fill balanced polygons throughout the gully design. The lighter blue represents fill material, and the darker blue represents cut material. The design was auto-sliced in 20k m³ sections to ensure there was enough cut above to establish the fill below

Gully beginning
to take shape
